PROTECTION OF
NEW HAMPSHIRE
FORESTS

WANT TO LEARN MORE ABOUT BIRDS ALONG NH'S SEACOAST?

Join the Forest Society and David Bleazard of the Seacoast Chapter of NH Audubon on an early morning walk around Creek Farm and the Little Harbor Loop trail. We'll be walking as the birds are waking which should provide some really great opportunities to hear and see plenty of birds - there may even be some migrant species still hanging around!

SINCE
1901

This event is for all birders and is BYOB (Bring your own BINOCULARS)!
