### THE MAPLE SUGARING TOUR

The Rocks offers a unique, **HANDS-ON** and customizable Maple Tour during sugaring season—from early March through mid-April. Guests will learn the history of maple sugaring, from the times of Native Americans to present day. This informative presentation, held in our Education Center, demonstrates how to tap a maple tree, as well as how the sap is collected and processed using the traditional method of boiling. Participants are then treated to a taste of maple syrup (with sour pickles to cut the sweetness), made onsite at The Rocks.

**MAPLE TOUR: \$13 per person** (Tour lasts 1½ hours. Minimum tour cost is \$300)

- Handicap accessible
- Motor coach parking
- Free admission for bus driver and one escort

\*Prices good through 2024
